## Tough Love Rabbi Mordechai Kamenetsky

Moshe, the humblest man who was ever on the face of this earth, the man who consistently pleaded with Hashem to spare the Jewish nation from his wrath, appears this week for the first time.

Moshe, seeing an Egyptian smiting a Jew, kills him. The next day, Moshe "went out and behold, two Hebrew men were fighting." He immediately chastised the wicked one, "Why would you strike your fellow?" (Exodus 2:13). His admonition provokes an angry response from the quarrelers. "Who appointed you as a dignitary, a ruler, and a judge over us? Do you propose to murder me, as you murdered the Egyptian?" (ibid. v. 4).

These are the first impressions that the Torah wants us to have of Moshe?

Of course Moshe was the compassionate advocate for Klal Yisrael. But the Torah chooses to define his leadership in a clear and unambiguous manner in strong and controversial encounters. After the Torah establishes an ability to reprove and even rebuke sin, only then does it tell us of Moshe's compassion in protecting the daughters of Yisro, in tending sheep by running after a tiny lamb who lost its way in the scorching desert.

Often I hear quotes such as, "If Rav Moshe were alive today," or, "If the Chofetz Chaim were alive today," followed by a notion that these beloved sages, with their celebrated love and compassion for all Jews, would surely have had unmitigated love and acceptance of anyone's notion of Judaism as an acceptable alternative.

It's just not true. Great leaders and Torah visionaries *do* have tremendous love for all Jews, but they do not compromise on Torah law or on Torah values. They are vociferous advocates of right versus wrong. Though one minute they may be chasing lost sheep, running after a small child who dropped a small coin, or translating a letter for an indigent immigrant, they would not hesitate to strike the Egyptian and chastise their fellow Jew who raised his hand against another, physically or spiritually. What truly makes a great man is not only knowing how and when to hold them, but also knowing how and when to scold them.

Kolenu Divrei Torah are dedicated in loving memory of our dear friend Joey Rhein - Chaim Yosef ben Ahron Aryeh a"h
